“ *Miss you Muns! We were reminiscing about you stopping at Stephen's window on your way back from walks to pick up Pupcorn treats on the way back in. I wish we had more time with you but will always miss, love, and remember you <3 Rest in peace

“ *Munson, Muns, Petey, Peter, P, stinky. You answered to all the crazy names I called you. You were the smartest dog with the biggest personality. You did all sorts of tricks- sit, lay down, roll over, paw, kiss then again you'd do anything for a treat. You have always been by my side through some of my toughest moments I may ever come across and have always given me so much comfort through it all. You were such a fighter, fighting with every lil bit of strength you had left in you. I'll miss singing Rod Stewart cd's to you as I dance around the house cleaning on Saturday mornings. I have so many great memories that I'll keep in my heart forever. I'll miss you the same 60 years from now. I'll think of you everyday and in everything I do. You have made such a huge impact in my life and on my heart. You were the bestest friend a girl could ask for. I love you <3 & I'm sorry*

*Love your best friend Samantha Kolar
