“ The first time we met she jumped right up to give me a big wet kiss! She was so sweet and welcoming! It was instant love. Nena is missed and will continue to be missed. In this time of sorrow I find comfort in knowing that no pain could ever hurt her or keep her in agony again. She is at peace and we'll meet again one day! Rest in peace Nena. U are love and u shared that love with us. Thank you.
