“ *Nikkia, our home is so different without you. You are missed very much not only by mommy, daddy and your brother and sister but by many family members and neighbors. You gave us so many things to laugh about and were so much fun to play with. We love you. Until we meet again.*

mayman32 - May 16, 2017 at 04:16 PM

“ *Nikkia, we miss you so much and our house does not feel the same. We love you and we will keep you in our hearts forever. Love dad*
