“ Sending love to the two best pig daddies and Buca—may the pain of loss ease with time and leave you with only the happiest memories. Olive Gardenia, your strange furry little snout and milky eye brought joy to many. Thank you for letting me hold your stinky little fats. I'll always remember your cutie noises, your happy chattering, your little squeaks, and your hay nomming. Rest easy, prince.

“ Thank you for every moment you shared with us, Olive. You were the best piggie. Seems like only yesterday you pee peed on me for holding you for too long. You were a great communicator. Miss you already. Love always.
