AS

“ Dear Family and Friends,

It is with a very heavy heart that I say goodbye to our beloved family pet; Pasily.

I was her Human Aunt and got such a kick out of her every time I would visit the Buwalda home. She loved attention, neck rubs and loved to wake everyone up each morning (7:30 am) asking for a bowl of milk. I swear she behaved like a dog...trained to know things and trained to speak (meow) for things that she wanted like clockwork.. That was some of her best talents.

I watched Pasily grow over the past 15 years from a kitten into a beautiful cat. She was playful and youthful looking which made her resemble a kitten her entire life (Good cat genes!)

I remember when she first was brought home and forced to live with Jasmine the cat. Pasily would try to play and tease Jasmine but Jasmine would have nothing to do with that business...LOL. So Pasily would run away from Jasmine and go to the family for attention. (Smart Cat)

I think the hardest thing to watch with Pasily was her sickness in the last years of her life.

She would not eat, vomit and lose a lot of weight. The Vet gave her some meds to help ease her sickness to allow her to feel better at times and enjoy life a bit longer.

She did live longer than expected to be with her family. However recently we knew her time was approaching. The family came to visit me in Florida for the 2021/22 NYE Holiday. Mr. B and her neighbor; Marie watched Pasily. We appreciate all that you both did to help Pasily.

Dianne stopped by the house and Facetimed with us to allow us to see Pasily and speak to her. I think that was the most beautiful thing we all could have done since we were not physically there to touch Pasily. I know deep in my heart that Pasily recognized Andrea and Nadine's voice. I am certain that gave her peace of mind.

Unfortunately Pasily passed away in her sleep that same evening after we had facetime with her. I know everyone wished they were with Pasily at the end but I believe the sound of your voices were

the last thing she needed to hear which gave her peace.

Pasily- Rest in peace. You were a wonderful pet, greatly loved and will be missed.

XOXO

Aunt Stacey
