“ There are no word for the loss of our precious family member. We have shared a wonderful 14 years; with Patula. She will be truly missed.

Patula had such a wonderful temperment; you would forget you were speaking to a dog. My home is not the same without her. She loved music,dancing,playing with her toys as well as people, watching tv, especially her favorite movie " 101 Dalmatians "
Her parents were show dogs. She understood every word you said to her. Her favorite foods were chicken and lamb. She lived beyond expectancy and she did it with happiness, style, grace and joy.
