“ *Dear Peanut, I was scared the first time I tried to hand feed you but you were so gentle and sweet when you took your little yogurt treat from my hand. I can't believe your mom left me alone with you for weeks. I will miss hearing you run on your little wheel keeping me up at night and miss cleaning the mess you would make with your little rainbow fluff. You're in a better place now. You were the smallest hamster I had ever seen but you had the biggest personality. You will be missed. We all loved you very much especially your mom <3.*

“ *Peanut aka Butter aka Sir Butter aka 'Ter. What a three years you had. After your mother adopted you, you traveled more than I did, you were the most photogenic little pet and you were spoiled beyond measure. If I only worked out as much as you ran on your wheel.... I'd be a lot more fit. Rest easy in peanut heaven.*
