“ *Pelusa even though I didn't get to met you face to face I want to take this time to thank you for being there for one of my closest friends/family member Evy. I know that you have been with her for most of her life and that you have been at her side in good and bad times. Thank you for the joy, cuddles, kisses and memories you have to Evy. I know she will truly miss you and that this will not be easy for her. I know you will you will always be in her heart and memories. I promise to be there for Evy and try my best to be the bestest of friend I can be always. Rest In Peace Pelusa.*

“ *Pelusa you have crossed over the rainbow but you will be missed by all! The few times I saw you
It was so cute seeing you run across the hall and hear your little paws cackle across. May you live a happy doggy life over the rainbow ❤️*
