“ *Losing my best friend has been the absolute hardest thing. For 17 years I have cuddled, hugged and kissed you. I heard your meows every day. Wherever I was, you were right next to me. You brought so much happiness and love to everyone that came across you. You didn't care who was coming into the house. You followed them into every room meowing at them. You loved to be next to people and lay on them. You are and will always be the best family member I ever had. I love you so much and I'll never forget about you.* ”
