“ Hi Pretty Little Mamma

Today would have been your birthday and you would be a very old little yorkie, just thinking of you and still missing you with all my heart. Some say the rainbow bridge is real, others say its just made up to help us with our healing. I hope it is real and your up there having fun with Pearl, Lady, Coco and Penny.

Happy Birthday my beautiful girl.

“ Poochie the Love of daughter and son in laws life, became the love of our families lives and my oldest grand daughter. I was her diamonds sitter and walker when my daughter works and when they went on vacation. I miss walking into the apartment and seeing her in her favorite spot the window. I miss her barking at the neighbors when they passed by with their dog and at the squirrels that parked themselves out side of the window sill. She was a beautiful, funny and loving little yorkie. Grandma Lucy, Pearl, Penny and Uncle Eric miss you Little Mamma
