“ Val, She brought you and the family so much joy. Whose mama allows them to watch TV all day until you come home (the kids couldn't even get away with that!). The hurt will lessen, the focus on all the joy she brought you. In you saddest moments think of Precious and see you smile brighten. Luv ya, Ruthie

Mom, I am so sorry for your loss. Despite the tragic course of events on Sunday, I am glad I was able to share her last moments with you and her. I will always have shoulder for you to lean on or cry on.

“ Sorry for your loss. I remember when "Preshy Pooh" became a member of your family. I remember how Preshy used to growl whenever somebody had a loud, negative show on the TV. Preshy only liked cartoons or soup operas! Love Aunty Stef
