“ *I'm just so lost without you baby. Mommy had a rough day yesterday and led to today being sad lonely and depressing. Nobody can ever take your place. You have an area all to yourself now. You have roses and candles a toy and your kong I'm not done putting stuff there either. Anything that was yours remains yours. It does not change it does not become someone else's. I'll never get over this. Never.*

queenb21689 - August 23, 2019 at 12:16 PM

“ *Princess it's a shock to me you're gone. I always loved to mess with you and watch you crawl under deck, or hide when you new fire alarms went off. You made me laugh alot from how you were a little ditsy. One memory I remember I'll never forget Amanda was on a cruise and i was laying in room and rob kicked the door open and you dashed all over the room and ran to hide so fast. God, life is cruel. RIP I truly will miss you barking at me till I take my hat off or played with you! 🥹🐶🦋 watch over all the other fur baby's in the house*

“ Princess, life without you is so difficult. It's like I am trying to breath underwater. All I think about is you. If I go off track of thinking of you I feel guilty and get sick to my stomach. You are forever in my heart baby. I love you more then anyone could imagine. I'm so sorry for your early departure from life. My heart hurts. I don't know how I will come out of this without you coming back to me....but I have kujo dexter Thor Harley and remy and they all miss you. There is a hole in this family that nobody in this world can fill. You were so peaceful. Just wanted love. Your whole life you would just roll over onto your back giving that belly to everyone who would rub it. 🥺🥺🥺🥺🥺💔💔💔💔💔💔💔💔💔

“ *Right now, you would be by my thigh laying under the blanket snoring away. I would have to move you over so I could get comfy and ready for sleep. Though, I don't think I'll be sleeping anytime soon. You have no idea how much I miss you baby. This is tearing me up beyond words. I'm so sorry baby. Nothing can be said nothing can be done and I wish there was. I wish there was a time machine and I could have you back with me...* 🥹🥹🥹🥹💔💔💔💔💔💔💔💔💔💔

“ I remember me pick up the precious darling ss gift for Christmas I was the only white girls in the hood but I wasn't afraid I was on a mission to bring this darling home to a good loving family. When I walk into the house there she was in the middle of a king size wrapped in a little tiny blanket she had my heart at hello. I will never forget when Donna and Amanda came picked her up I had to be one of the best present they ever got the smiles were priceless and I knew than miltila had her forever home. She was be forever in our heart and she touch a lot of people. Welcome to your new home in heaven my precious girl. It's not all sad we will forever have her in our heart.

“ Princess was full of life. She was happy go lucky. She didn't have not one mean bone in her little body. She was best friends with kujo and dexter. She was momma bear and protected all the babies. She was my peace keeper. If someone was out of line she pushed them back in nicely. She was always smiling and wagging her tail. Nothing could ruin her day. She was silly and loved to cuddle. She was one of my best friends. She was my daughter. I can't wake up from this nightmare and it's all I want to do. I want her to pop out from under my bed and say "hey mom why you crying I'm right here!" She did not suffer. I am, I'm suffering cause I lost my baby.

queenb21689 - August 11, 2019 at 02:01 PM

Princess you were such an amazing puppy always smiling and always ready to cuddle and comfort anyone upset. You were such a friendly and loving pup who wanted nothing but love and affection. Ill never forget how you would bark until the person who came in the house would say hi to you with a belly rub. You were truly a princess.. R.I.P Princess love you always Aunt Amy ❤️
