“ *Pumkin you're a whole queen. We've been through a lot. It started when you were inside you're mommies tummy and she chased me down thinking I was trying to harm her babies. I used to walk around that apt with a bed sheet held up so she didn't see me. 😭 But then you were born along with 2 other sisters, Blackie and Stripie. We found a nice family for you to stay with over at 200 Clendenny ave, that was your first home. Imagine if you stayed with us, girl we probably would've named you Sharpie! But luckily that wasn't the case and Pumkin Nickle became part of the Prashad family.*

Thank you for taking care of them, for keeping them safe. For loving them and always putting a smile on their face.

Thank you for being there for me when I felt empty. When I lost Bella it was a rough time but you were always there and it helped me mentally.

I love you and miss you. But this is not goodbye, its more like see you later. See you in my dreams or we'll meet up at the rainbow one day and hangout at that bridge together. ❤️
