“ *We are so sorry to hear of your most recent loss. Remi will be fondly remebered by all of us. We will miss his presence at Sunnybank Gatherings. He was such a love, especially to Casey and Lexi. Monica and Joe.*

“ *Remy, I will always miss the way you layed your head on my feet, you would turn away and be stingey with your kisses, and especially miss your big "collie smile".*

“ Remember "Oh hi Remy...you want me to spank ya!!!!!" He just loved having his hind-quarters patted! Whenever he saw me, he knew that I was the one who would give him that attention. I am going to miss him so very much!!

“ Remy was a sweetheart and a handsome one to boot! I'll always remember driving to my grandmother's house and seeing him out in the front yard looking after the neighborhood...I will miss seeing him. My heart goes out to you, Don and Tony....he will be watching over you both now from his final resting place, knowing he was lucky to be loved as much as he was.

“ To our WONDERFUL companion and Best Friend to all please remember our "REMY". He went quietly to eternal happiness today , June 7, 2011 at 10:20 AM just one day shy of his 12th birthday. Still a happy , cheerful dog up till the end , showing his affection to both Tony and me even though we were gettiing frustrated with his inability to stand and walk much at all . But yet he still let us know when he was hungry or wanted to go outside. He craved attention up until the last hour we spent with him laying in the grass in the backyard. He was the best and will sorely be missed, our hearts are broken !
