“ *Today is Wednesday and my memories of Rena grow stronger everyday. It's so quiet around the house without your snoring your barking . I miss walking you Rena. I still feel as if it's just a dream. I carry your ashes with me everyday Because I feel so empty without you. Rena I hope your happy and in peace in heaven as you are. Remember that mommy loves you and will forever hold you in her heart.*

“ My beautiful princess, so loving and happy that she was. She loved to run all over the house and jump on the kids. She would give me kisses. She was so playful. I miss her so much! My home feels so empty without her. I love you Rena. Fly high into the heaven till we meet again.
