“*Rio, in the beginning I was scared of you, and I didn't know how much love I was missing. Years later, when I welcomed Arlo into my life, I finally understood the depth of the affection you tried to give so freely. That realization broke my heart, because I wish I had known sooner. I will always remember you coming to me for a treat. As you cross the Rainbow Bridge, I hope you know how deeply you were loved. Thank you for your quiet love and gentle presence. Rest peacefully, sweet Rio.*”
