“ *Oh, Robbie.....one year since you left us. It's been hard, but I think about you and your brothers every day and that helps. I know that you are all still with me, and walk with me every day. Love you all and miss you all so much!*

“ *Thinking of all of you, and so inspired by the love you all shared, and the incredible care that you aunties give to your little ones. They all were very lucky to be loved by you two :)) Lots of love and kisses coming your way from California...*

“ He and all the boys were so fortunate to be part of an incredible loving family. I remember when Shirl just got Christopher and Robin and all the joy they brought; and both of you throughout the years. I know he will be sadly missed but is watching over both of you now. May all the great memories and good times bring you some peace.

Janet, you were such a good mommy to Robin. Thank you for being there with Shirley. I know you are both sad. My thoughts are with you both.

Hey, Maryanne! Thanks for the kind words about Robbie! He was my constant companion...just me and him...for the past 8 months.....since Christopher died. And now they're both gone! I can't believe it....I never thought the day would come when they would both be gone! So lonely here.....

“ *Our last man standing left us yesterday. It was a beautiful day outside and our little Robin died all comfy cozy in his favorite bed at home. It was peaceful. But we are so sad that he had to leave us....although he is now with his brothers- Christopher, Patrick and Dean. May they all rest in peace....and have a blast now that they are all together again! We love you all.....*
