

Rocky Latorre

April 18, 2023

Rocky passed peacefully at home while in the care of his best buddy Grandma.

Rocky was born on November 26, 2007 and went home with our family in January of 2008. He quickly became our baby. Rocky arrived in our home with the ability to chew on wires and shoes but with that cute face he knew he could get away with anything. He quickly began building loving relationships with everyone he came in contact with. He truly brought so much joy and love into our home for the past 15 years.

A lover of couches, blankets and clothes, Rocky had many hobbies. Some of his favorite activities included cuddling alongside you, taking over your lap, acting as if he were a vacuum, giving his paw if you came near him, catching a cool breeze outdoors and taking long naps in his favorite bed. The quickest way to Rocky's heart was with a quality belly rub. If you rubbed his belly you were instantly his best friend.

Rocky will be greatly missed by many. Through thick and thin, we loved him with all our heart, and though the pain we feel without him is great, it in no way would compare to having never had him in our lives. He was truly the best dog ever!

At the wishes of the Latorre/ Rodriguez family, give your dog an extra hug, belly rub, and a treat.

“ My sweet boy. Momma misses you so much already. I feel such emptiness in my heart. I know you are at peace running free in the beautiful fields of heaven. You were an Angel on earth so I know you are an Angel still. I hope you are getting all the free belly rubs, eating all the fries and crackers your little belly desires and taking your beautiful naps. You were truly a wonderful dog. Not just any dog you were part of our family. The love you gave was like no other. You were the best brother to Max and Jace. They are going to miss you dearly. Daddy misses twirling your hair until you fell asleep. We are all so heartbroken. Thank you for giving us the best 15 years of our lives.
