“ *My little boy Rolie,
Today is 4 weeks that you went to heaven. We miss you so much,
our hearts are broken and overwhelmed with grief. I keep waiting for
your scratch on the bathroom door. I keep calling you hoping that
you would come. But, we know that you don't want us to be sad
anymore. Your spirit lives in our hearts and in our minds. I miss your
happy face and your kisses. We love you so much. May the Lord
bless your unconditional and pleasing, loving heart and keep you
safe. I know that your spirit is with us and that gives me peace. We
love you with all our hearts, mi papuchito. Mom, Dad, Bella,
Grandma Julia, Cookie and Pooh Bear.*

“*Rolie Polie Olie, how are we going to live without you. You were and are a blessing in our lives. The pain of losing you is so overwhelming now, we miss your smiling face, your noble heart, and your pleasing ways of loving us. The house is empty, your tennis balls are all over the house. But, we trust our loving God to care for you and keep you happy and free of pain. Until we meet again, you'll stay in our hearts and in our minds forever. Thank you for the wonderful 12 years that you gave to us. So many happy memories that you filled out hearts with. We will never forget you, you were and still are our pride and joy. Rest easy papito, toti, nano, our little sunshine. We love you forever and ever.*

*Love you,
Mommy, Daddy, Bella, Col, Grandma, Poohbear and Cookie.*
