“ *I still miss you every minute of every day baby girl. Every time I go into the kitchen to make something to eat, I still expect to hear you come shuffling in. Your cute little face, so alert, waiting to pick up anything that falls :)*

“ *Roxy was the sweetest little dog in the whole world! I will miss the little snuggles she would give and the tiny little bark that she had. I wish I could have had the chance to say goodbye. RIP my little doggie BFF!*

“ My sweet little girl. You brought so much joy into my life I will miss you infinitely. You were my best little friend, always there by my side to help me through everything the past 11 years. I loved your snuggles and gentle kisses, I loved listening to you snore as you slept on my lap and how you'd nudge my hand when I would stop petting you. I still imagine seeing your little tail wagging when I walk into the house. I love you so much and will always remember that sweet little face of yours every time I close my eyes. Rest in peace my baby, you have forever enriched my life.

The barks, wimpers and all the energy she showed the moment you walked into the door. Begging for love like a puppy. The best noise to bring a smile to my face. :)
