“ *Rubio came into my life at the perfect time. After losing my sweet girl Mama in 2010 i closed myself off from having another pet, but after 6yrs of mourning i was yearning for another kitty. The same year i got my new apt in my childhood home rubio was born in the neighbors yard, & the rest is history filled with beautiful memories. 🧡💙🧡 we shared many playful moments & laughs. Boy did he make me laugh. He was my little hunter, my lion cub, my baby boy. So affectionate,so happy. Im going to miss him more than he'll ever know.*
