“ Well, Rudy, it's been a month.....a very long month. We still miss you so much. I still cry every day. But, I know that you're happy and healthy and that gets me through. We all love you!

“ We had to say goodbye to our little Rudy on Sunday, Dec. 15, 2019 after a short battle with cancer and congestive heart failure. His little body just couldn't fight any longer and we had to let him go. We only had Rudy for 3 years and 4 months, but he had an enormous impact on our family. He was very much loved and is sorely missed. Rest in Peace, Rudy. We will see you again, for sure.

Your loving family,
Janet, Shirley, Libby, Riley, and Roscoe
