“ Sally, 8 years ago I caught you and your sister for a coworker..He change his mind and the rest is history.. You are the love of my life..always made me smile when I came home from work.. Very smart kitty and know how to open the door..You do a lot of cute things ..like grabbing my arm to have yogurt and sliding the food dish for yourself..It's been so hard without you and your mother,sister and your grandma are very sad..Every Christmas time I'll remember your death and won't celebrate the holidays.
