“ *My Shaney. not a day goes by that I dont think about you. I think you would love your adopted sister Sage. She is a spitting image of you but female. She hates squirrels, while you loved them. She a dandy beagle but loves her pizza crust like you did. You both would have gotten along well my boy. I miss you soo much i cry as I still have your toys after this time and your food and water bowl.*

My beloved Shane, you will always be in my heart and I know you are are around me.

I love you my boy,

Momma
