“ 10 years and I still miss you so. These past few years have been rough for mommy with all the deaths and loss. I look forward to the day when we will be reunited.

“ 3 years my big baby, and mommy still misses you so. It was only months ago that I was finally able to visit this tribute and upload pics. Tears still flow. I know you are no longer suffering and are playing with your brothers and sisters up in heaven but my heart still breaks for you. I am so sorry i couldn't have done more for you. Hugs and kisses. I will love you always.
