“ *To our Big Sister....*

*From Lacey: Sis, you loved me and welcomed me the minute i entered into your home. I will always cherish our times together... you took such good care of everyone, from me to mommy to anyone who entered our home. I miss you soooo much, and can't stop looking for you around the house. You always put in my place when i didn't listen to mommy... you were her saving grace. I love ya Sis... i hope i do half the job you did when you were here. Rest in peace Sis.... you deserve it... You were the best big sister.*

*From Trixie: I miss you Sis.... you welcomed me with open paws when i arrived... and even when you didn't feel well, you didn't mind me coming up and nestling next to you...I wish i had more time with you...I love you... and want you to be at peace. Thanks for making room on your bed for me and Lacey. You always made room for us..*

“ *Our pets touch our hearts in so many ways and Shelby Lynn (whose Mom taught me the importance of giving your dog a middle name) brought peace and happiness to everyone who knew her for so many years. Rosie, Gabby and Precious miss her and Nellie, Tess and Penny are happy to see her and play with her again. Their Mom misses her, too.*

“ *TREASURED FRIEND*

*I lost a treasured friend today  
The little dog who used to lay  
Her gentle head upon my knee  
And shared her silent thoughts with me.*

*She'll come no longer to my call  
Retrieve no more her favourite ball  
A voice far greater than my own  
Has called her to his golden throne.*

*Although my eyes are filled with tears  
I thank him for the happy years  
He let her spend down here with me  
And for her love and loyalty.*

*When it is time for me to go  
And join her there, this much I know  
I shall not fear the transient dark  
For she will greet me with a bark.*
