Anthony Castro - November 30, 2024 at 10:17 AM

“ Skeppy was an amazing son, one who has been there for us in so many ways. He always gave us intellectual glares, was skeptical on many things, and even continues to send us messages from above even till this day! He was one of the strongest kids that we had so far, and I know that he's guiding Hakuno now & showing him around! Love you my bud! We miss you tremendously!
