“ *She’s been loved for all the years she’s been with us.
She was a very small, timid but funny pup..
She recently came out her shell and started running around and giving us kisses which surprised us!
I guess that was a sign that she was leaving us soon. We’re happy with how she was treated and laid to rest. We’re so thankful for “Pets Rest In Peace” in secaucus NJ.
We love you Skye.. hope you crossed the rainbow bridge and hope to see you soon!! xxxxxx*
