

Smokey Prosciutto

April 3, 2025

No obituary found for this tribute.

Tribute Wall

“ *Little Prosciutto man lived 2 years and 2 months and saw 3 different cities! A little hamster in a big world! I appreciated the relaxing sound of him running on his wheel at night, his spunk, and calm charm. You will be missed, but I hope you're dreaming of all the yogurt drops and pieces of fruit up there!* ”
