“ We miss you so much ❤️

Here is the story of Snowcap... one day Marcelo and I were driving on blvd East and we saw this woman with a white cotton ball dog. We found out it was a Bichon Frise. He was the most beautiful dog I had ever seen. That day I told Marcelo that is the dog I want !! We got married, moved into a new house then a few days before Christmas we got our baby Snowcap. He was 8 weeks old. Snowcap was born on 10/16/2004. We brought him home on 12/21/2004. He was the most beautiful, sweet and precious puppy. He was the first baby, the first grandpuppy, the first everything. Now my heart is broken and I only have memories to hold on to. The house is empty, I look around for you but you are gone and all I have is your ashes in a beautiful wooden box. You live in my heart and always will till we meet again in heaven ❤️🌸🦋

“ *Today we lost our baby Snowcap. Snowcap was the light in our lives, the love in our hearts and the joy in our family. We knew this day would come but you are never ready for when it does. We were fortunate to have had him in our lives for almost 16 years. Our hearts are broken, the void is unbearable and we try to find peace in our memories. We miss him with all our hearts and will love him forever. Snowcap we will miss you more than life but one day we will meet again and we can be the happy family we once were.*
