I remembered when Teddy came in to the household for some cuddling and loving when the rent manager would not allow you to have a kitten. R.I.P. Teddy

Baby, I love you, and Teddy loved his daddy, that spoiled him so much. We both are going to miss him, but our other babies will help us, through GOD/JESUS to mend our hearts, and souls. Thank you for all you love with me taking care of him for almost two and a half years. GOD Bless my loving husband, and daddy of our hamster and kitty cat <3

“ *Almost felt like an Uncle to Little Teddy, I was around on the phone, and on skype for most of his little life. I am going to miss see him move around his cage, seeing the pictures of him, and hearing the stories. Rest in Peace little Teddy.*

My Condolences to you Kelly and Tony, I know the hurt is deep, and that you both will miss him dearly, but as long as you hold his memories close to you, then He will never truly be gone.

God bless you both....
