“ *Tigger, we miss you it gets easier as time go on. However, Blossom your buddy is sick and she may be seeing you soon. We are sad but she is 13 years old and you were only 6 years old which was such a SHOCK when you passed. We love you and miss you forever. When the time comes show Blossy around in heaven. Love you always Fat Boy! :)*

“ *This was the best cat ever! He had some odd ways but he was my Fat Boy. Tigger use to scratch the wall near the litter box because he never knew how to cover up his poop, so when he was scratching the wall he thought he was doing what our other cat was. LMBO!! Even to his last days he did the same. He never ate table food he didn't like it, he would smell it but he would not eat it. He had a response for everything you say to him, even when he was ill. I miss that so very much. I miss his favorite spots he laid, and his comfort zone when he lay on back with his legs open. He was a treat for 6 years to young to be gone!! RIP Tigger you were family.*
