“ My fur baby Titan, who is Master Champion of the American Rare Breed Association and bred from the Adirondack Mountain King Great Lakes, breeder/owner Christine Sherwood. Titan you made mommy so proud. You loved being in all of the show rings and loved winning all of those ribbons that you deserved. You are so loved and so deeply missed. I miss giving your legs and butt rubs, miss seeing you on my bed and at my bedside, playing with you through the stair railings putting your paw through railing for leg rubs, seeing your beautiful face in window watching me leave and waiting for me to come home. Miss you always by my side and sitting on top of my feet. Most of all I miss your kisses, rubbing your ears, kissing and hugging you. Things are not and will not be the same without you here. Sitting outside in yard is not same, Your squirrel and birds friends are so quiet and miss you. Words can't describe how much I miss you. When you crossed over you took a big piece of my heart with you. I feel lost and lonely without you. You were not just a dog, you were my best friend and an important part of my family. I am forever great full you came into our lives and to love you. There will be one and only one Titan my sweet fur baby. The most gentle giant who gave so much love and was loved so very much, one amazing soul. We miss you and love you Titan. Rest in peace my handsome fur baby. Until we meet again. Xoxo
