“ *All good things must come to an end. And today we said goodbye to a very best friend; loving and loyal. A friend through and through. We've known him since he was just a pup. We watched him grow into a beautiful canine friend. Back in those days, we could not imagine this end. But now, it is all over, and he's truly gone. Somehow, we'll find a way to try to carry on. So until the day that we can be together once again, we'll keep his memory alive. We will always remember him as Toni, "our best buddy."*

You will only be physically gone Toni but your presence will always be felt by everyone whose life you touched in your own magical way.
