“ You are truly missed in the house Truffles! The house is so different without you. People can say whatever they want. Losing someone like you is like losing a son. When I held you in my hands, the first time we saw you, I fell in love and since then you have been part of our family. No one will understand how much we felt but we are very glad that you are in good place and in good hands. Love you always

gates to guard & friends to meet,
long, slow walks & petting hands,
Safe with GOD in Heaven's lands.

We love you, Truffles!!!
