“ Doug and I remember how Whiskey always loved attention and love at parties while shaking his booty as he walked around to everyone. We send love and prayers to your whole family.

Doug would get on the floor and play with him. He never cared if he got hair or dirty. You both loved my Whiskey like your own.

“ Whiskey came to my home at 2 months old and changed my life forever. I will miss his barks, his begging for more snacks. I will miss how we played hide and seek and how excited he would get when he found me. I love my boy with all I had and more. Good bye baby. Be a good boy and one day we will be together again.

He was a smart, loving and incredibly respectful loyal dog. I remember when he was learning how to interact with his family and we will tell him when he did something wrong. He would walk towards you without fear and stand by our legs to ask for forgiveness every time. We will miss our special dog, always
